# Please follow the guidance

Please maintain a **two metre distance** between your household or bubble and others

Children from **one household per piece of equipment**, accompanied by one parent/guardian

**No food or drink** to be consumed in the play area

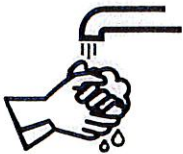

Please **sanitise your hands before and after** using any access gates and play equipment

Please **use the litter bins** where provided or take your litter home

Please be considerate to others wanting to play on the equipment, **reduce the play time to five mins per piece of equipment** if others are waiting

Don't forget to **thoroughly wash your hands** when you get home

We want this play area to be enjoyed by everyone.

To ensure accessibility to children and young people with Special Educational Needs or Disabilities, the use of the play area from 10am -11am is reserved for their use only.

Please respect the needs of others.
